### THE LIGHT AT HOME.

The Light at Home ! how bright it beams When evening shades around as fall?
And from the lattice far it gleams.
To love, to reat, and comfort call,
When tired with the tolls of day. The strife for glary, gold or fame

low sweet to seek the unlot way
Where loving lips will lisp our name
Around the Light at Home! When, through the dark and stormy night,
The weary wanders: homeward lines,
How cheering is that twinkling light
Which through the forest gloom he spice;
It is the Light at Home; he from
That loving hears will great him there.
And sidtly through his boson steals.
The joy and love that twinsh care,
Around the Light at Home.

The Light at Home ! where're at last It creets the seamen through the storm. He tests to more the chilling blast That beats upon his munly form, Long years upon the sea have fled. Since Mary gave her parting kiss. But she sad tours which then she shed. Will now be paid with ranturous blice

Around the Light at Home. The Light at Home ! how still and sweet It neers from youder cottage door It peeps from youder cottage door.
The weary labors to great.
When the rough tolk of day are o'er!
Sad is the soul that does not spow
The blesslugs that its beams import.
The cheerful hopes and joys that flow,
And lighten up the beaviest hears,
Around the Light of Home!

### New Orleans Under Butler. patch to the New York Tribune.

rom New Orleans, now in this city, asserts that when the Hon. Reverdy Johnson was reedom with which be became their guest. Mr. Johnson occupied much of his time i mollifying the punishment and remitting the fines of rebels which had been inflicted by order of Gen. Butler. On one occasion the value is gold of half a cargo of cotton, the other half which was exchanged for munitions of war which Gen. Butler had seized and was sending o Secretary Chase, was ordered by Mr. John ler summoned the mercantile rebels to his presence. They came, and Mr. Johnson with them. The general exhibited the order, and then handed them a check for the amount, at the same time requesting them to remain in custody. They exhibited astonishment at this, inquiring if they were to be punished. "Certainly," replied the general: "of course you IV COMMANDERS of Army corps, regimentare. Do you suppose two such d—d trailors are going to evade justice and violate with impurity the laws of this Republic? Yes, I will show any according to the directions expressed on show you that you shall be punished. tifficers to charge of camps of instruction will make us?" "Don't know; possibly only send you to ne file if the of the recoulting service showing Fort Pickens, with a ball and chain-probably "Well, but," interposed Mr. Joh son, "if I am going to make matters worse than they were before, I think I had better go "I think so too," said Gen. Butler emphatically. Mr. Johnson is now, and has been since his return, using every available means to

procure the removal of Gen. Butler. Thirty

housand poor people, white and black, are still

fed from our commissariat at New Orleans, and Gen. Butler levies on the rich rebels every

month to meet the current expense, and we are

MCCLELLAN'S DESCRIED CAMP -The site of the late camping ground of the Yankees on ic to a great many who visit it. We are informed conserve to exceed and forward all conscripts to their by persons who have visited the deserted apot, that it presents a scene of the wildest waste and loyal end that it presents a scene of the wildest waste and confusion, and of destruction too. Thousands not be forward here of persons subject to conscript duty of form and half rotten tents, rusty axes, spades, ting within their respective districts and jurisdic shovels, fish barrels, beef barrels, and liquor 1. Military commanders and provest mershald are cases, can be seen strewn broadcast over the size, He around in thick profusion. A great many of these articles are daily being gathered conscripts who have been enrolled in organizationary of these articles and daily being gathered parties rangers raised within the limits of this tup, we understand, by parties on the river, and struct since the lath of April 1-12, and conscripts who elsewhere, who have an eye to the favorable turning of a penny. Leaden balls are worth twenty-five cents per pound, and thousands of sees and under charge of a commissioned officer who wild pounds can be gathered up with little trouble. or seven cents per pound, and any quantity of this can be obtained down there. A curious cironling issued. few graves can be seen. Whether the burying pround is as yet undiscovered by visitors, or whether the dead were carried away, is unknown to us-but there can be no denying the fact, that many an invading Yankee yielded up the

## From North Carolina.

To preserve order among tensory by NEWBERN, September 24.—So far as North per vent improper intercourse with the enemy, by NEWBERN, September 24.—So far as North Carolina is concerned, everything appears to be in good shape. The old Whige are in power by and wir. The school and Warren county. Mississippi, Captain, large majorities in every branch of the State. government, and many think that they stand eral Union as soon as the robel army is driven from Virginia. Why can't this glorious result be realized! With the return of North Carolina would follow that of all the other border States. It must be remembered that this State is threatened with devastation in the retreat of the armies of the cotton States from Virginia, should she exhibit any intention of returning to the Union while the rebel army is in Virginia. Nothing, therefore, can be done with safety by North Carofins until the rebel troops are driven from the

The health of this department is remarkably good: not more than one man out of a hundred sick, which is an exhibition no Northern the same at all relieve the enemy with State can show, even outside of the army. I
